On behalf of Hong Kong Mini Rugby Football Union, we have the greatest pleasure to welcome everyone here to the HKMRFU HSBC Mini Rugby Tournament, the World's Largest Mini Rugby Tournament. We are hoping to let all of you in Hong Kong as well as other parts of the world share our delight that we are able to break one of the Guinness World Records™ today.

Mini Rugby has been in Hong Kong since 1989. We started with a few clubs of about a hundred players. Through our efforts and with support from all sectors of the community, we have been able to achieve steady and continuous growth during the last decade.

We are proud to announce that HKMRFU is composed of 18 mini rugby clubs with more than 3,000 players from everywhere in the Hong Kong Territories. With the enthusiastic involvement of coaches, referees, parents and volunteers, we lead young players to enjoy rugby games and share fun amongst each other. The children are able to treasure quality of life and the good spirit of sportsmanship.

We would like to express our tremendous thanks to our Title Sponsor HSBC and also to DHL for their generous donation and support for this great tournament. In addition to that, we would like to thank Hong Kong Rugby Football Union, Hong Kong Football Club, Wanchai District Council, LCSD, Hong Kong Jockey Club and Crowne Plaza. Our event could not be made possible without their support.

HKMRFU promises to use all its valuable resources to make mini rugby flourish in community development and to continue to contribute towards the better life of our children.

Finally, we would like to extend our wholehearted thanks to the Tournament Director, Case Everaert, for leading the organization of this wonderful World Record Tournament.

**Kim Lam, Chairwoman,
Hong Kong Mini Rugby Football Union**

Dear Parents,

Today is a big day! By participating in the HKMRFU HSBC Mini Rugby Tournament your child will become a world record holder.

In order to make the world record formal all the players need to be counted. Counting will take place at the Hong Kong Football Club. This is a complicated process due to the numbers involved: we expect roughly 3,000 children to take part in this Guinness World Records event.

During the tournament access to the HKFC will be restricted to U6 and U7 parents and to players and coaches only. We simply expect too many people to show up to fit inside the stadium.

We invite you to go to Happy Valley Pitch 5, in front of the Hong Kong Jockey Club giant television screen. We have ensured that the proceedings inside the HKFC will be broadcast on the big screen. The HKJC has set up stalls with food and drink for you to enjoy while you can watch live the closing ceremony and the announcement by the Guinness World Records adjudicator.

After the proceedings in HKFC the children will come to Pitch 5 in a parade behind the Sea School Band. You will have a photo-taking opportunity with all the players in front of the big screen. Please follow the instructions from the pitch monitors to clear Pitch 5 for the children to take up their spot.

We are excited to give so many young rugby players the opportunity to say "I'm a world record holder!" We trust that this mini rugby tournament will be a memory you and your child will cherish forever.

Have a great tournament!

**Case Everaert
Tournament Director, HKMRFU**

As Title Sponsor of the HKMRFU HSBC Mini Rugby Tournament, HSBC is proud to be supporting youth rugby in Asia with today's historic Guinness World Records™ attempt.

HSBC has a long standing investment in rugby around the world. The British and Irish Lions is the pinnacle of this. Not to be forgotten however are the thousands of children who learn rugby for the first time through HSBC's numerous community rugby programmes.

From the recently announced HSBC Sevens World Series to the Asian 5 Nations, HSBC's rugby sponsorships aim to develop the community aspects of the game in parallel. These programmes encourage youngsters to embrace rugby and use the sport to learn life skills such as teamwork and communication.

Today's tournament is a celebration of rugby and a demonstration of the successful and thriving grassroots programme that exists in Hong Kong. We hope that through this event people from different cultures can be brought together through a shared love of the game. We also hope that all the children taking part today enjoy the excitement of attempting to become part of a World Record set in the heart of Hong Kong!

So best of luck in today's tournament and we look forward to sharing a world record breaking rugby occasion we can all be proud of.
